CAP ROCAT, MALLORCA, SPAIN

The Sentinel suites at Cap Rocat offer the most alluring retreat from the outside world. A place of ultimate privacy, and therefore relaxation, the scent of rosemary and jasmine flow softly on the gentle breeze in these secluded little hideaways carved from the rocks in the cliffs that overlook the Mediterranean. The suites, clad in marble, stone, and wood, give a feel of being connected to nature in the most luxurious way. The outdoor terraces, with pool, hammock, table and chairs, are reason alone to stay in your suite – not a bad place to isolate in!
